

# STATEMENT OF ACCOMPLISHMENT

#44,903,293

HAS BEEN AWARDED TO

**Brandon Vasquez**

FOR SUCCESSFULLY COMPLETING

**Introduction to Deep Learning in Python**

LENGTH

4 HRS

COMPLETED ON

**DEC 04, 2025**

 **datacamp**

A large, faint watermark-like graphic in the background features three circular nodes connected by a web of lines, resembling a neural network or a complex graph. The nodes have a grid pattern. The entire graphic is centered and has a light gray-to-white gradient.
